In 2008 we started to develop our own treatments at Chapel Spa and we have worked closely with aromatherapy specialists to develop a unique blend of essential oils “EASE”.

The development of Ease has been led by Chapel Spa owner Mena Louka, whose specialist knowledge and hands-on skills have seen him become a leading voice in the skincare and spa industry.

Ease oils work on the three levels of mind, body and soul. They have been designed to complement our award-winning treatments.

Our exclusive Ease treatments work in harmony with the oils to help you *‘Ease away the stress of life’*

BIOTEC

“The unique fusion of technology and touch”

These new facials bridge the gap between a hands-on facial and cosmetic, non-invasive procedure with impressive and visible results.

Using a fusion of hands-on therapy and technology, each facial is designed to provide a tailor-made solution to target every skincare concern.

The application of a specific high-performance, super-activator combined with the use of the BIOTEC machine, which incorporates five different technologies, will deliver visible results and long-term benefits.

The BIOTEC machine works by giving unresponsive cells new stimuli to help reboot cellular performance, enhance the skin's ability to repair and renew and target specific skin needs such as anti-ageing, lifting, firming and resurfacing.

A course of BIOTEC facials will dramatically improve the health of your skin, making it a must for anyone on a quest to achieve the next level of radiance and beauty. Our clients can choose from a 60 or 30-minute treatment.

“These new facials have completely transformed my skin which is now firmer, smoother and more radiant. The procedure is perfectly relaxing with no uncomfortable sensation. I will continue to have these treatments as my skin has never looked better”

Treat your loved one to a gift of relaxation

Chapel Spa vouchers are a luxurious gift to friends and loved ones for any occasion. Birthdays, Christmas, Mothers Day / Fathers Day, Anniversaries, Wedding Gift or just a special treat for the one you love.

A Chapel Spa gift voucher makes a unique and thoughtful present for a birthday gift or celebration.

Gift Vouchers

With busy lives, we tend to make time for ourselves as our last priority. We get great feedback from our customers who say that receiving a gift voucher as a present allows them to ensure they book in 'me time' and is so much appreciated.

If you would like to purchase a voucher for a loved one to ensure they schedule in some well-earned pamper time, then we have several easy options below.

We offer two types of gift vouchers:

1. Monetary amount
2. For a certain treatment or package

Monetary Amount

It can be really hard to choose the perfect present for someone and you may feel more at ease just choosing an amount that you would like to spend and then the recipient can choose what they would like to spend the voucher on. They can choose from any of the treatments featured in the Chapel Spa brochure, Spa Packages and Passes, use of the gym, beauty products and Chapel Spa offers.

Treatment or Package Gift Voucher

It can be more personal to select a certain treatment or package and for this to be displayed on the gift voucher. You may be lucky enough to have been given some hints from the recipient, however, if you need some advice prior to choosing, please do not hesitate to call us on **01242 38 66 66** where we can help you select the perfect present.

To give you some peace of mind, if the recipient after receiving the gift, would like to change the treatment or package to something else, they can simply change it to something of the same value. We honour the voucher as a value of money and not as a value of treatments or products as prices of treatments and products might vary.

Purchasing a Gift Voucher

There are several ways of purchasing vouchers:

1. online @ www.chapelspa.co.uk
2. Phone **01242 38 66 66**
3. Picking it up in person

Delivering the Voucher

All of our Gift Vouchers are presented in a Gift Voucher sleeve as standard and is enclosed with a Chapel Spa brochure. Whether you order it through the website or phone, you will have the option to detail the person's name and a message to ensure they know who it's from when it is received. We send our vouchers by The Royal Mail first class, please allow up to 5 working days.

E-Gift Vouchers

For people who just prefer less paper or for customers with an extremely tight deadline, we will send the gift voucher immediately on receipt of your order. You/they can then simply print it off when they would like to redeem it.
